SINGAPORE'S NATIONAL ANTHEM

(Written in Malay, one of the mainstream languages in Singapore, besides English, Mandarin and Tamil.)

Mari kita rakyat Singapura

(Let us the people of Singapore)

Sama sama menuju

(Together march towards happiness)

Bahagia cita-cita kita yang mulia

(our noble aspiration is to make)

Berjaya Singapura

(A success of Singapore)

Marilah kita bersatu

(Let us all unite)

Dengan semangat yang baru

(With a new spirit)

Semua kita berseru

(Together we proclaim)

Majulah Singapura

Majulah Singapura

(Onward Singapore)

THE PLEDGE

We, the citizens of Singapore, pledge ourselves as one united people regardless of race, language or religion, to build a democratic society based on justice and equality so as to achieve happiness, prosperity and progress for our nation.

MAKE ME A CHANNEL OF YOUR PEACE

1. Make me a channel of your peace;
Where there is hatred let me bring your love,
Where there is injury, your pardon, Lord
And where there's doubt, true faith in you.

Chorus:

*O Master, grant that I may never seek
So much to be consoled as to console;
To be understood as to understand,
To be loved, as to love with all my soul!*

2. Make me a channel of your peace;
Where there's despair in life let me bring hope
Where there is darkness, only light,
And where there's sadness, ever joy:
3. Make me a channel of your peace;
It is in pardoning that we are pardoned,
In giving of ourselves that we receive,
And in dying that we're born to eternal life

使我作你和平之子（圣法兰西斯的祷告文）

1. 使我作你和平之子，
在憎恨之处播下你的爱。
在伤痕之处播下你宽恕，
在怀疑之处播下信心。

副歌：

哦，主啊！使我少为自己求，
少求受安慰，但求安慰人；
少求被了解，但求了解人；
少求爱，但求全心付出爱。

2. 在绝望之处播下你盼望，
在幽暗之处播下你光明，
在忧愁之处播下欢愉。
3. 使我作你和平之子，

在舍去时我们便有所得，
在赦免时我们便蒙赦免，
迎接死亡时我们便进入永生。

SCHOOL MOTTO

Aspire and Achieve

SCHOOL SONG

1. We come from many nations;
We learn from many stations,
All colours are we, all races you see,
United one family.

2. Our service to God, that's our choice;
Compassion in one voice,
With respect and honesty as our creed,
One voice, one hope we achieve.

Chorus:

One heart, one hope, one voice;

Linking us in unity;

Our heartfelt choice,

*With pride and dignity,
YMCA School! YMCA School!*

3. As we look through the door at our future;
By God's grace we are sure,
We're responsible, we're reliable,
We're ready to face the world,
We are one!
Aspire and Achieve!

SERVANT LEADERSHIP

- To desire to serve first, then to make the conscious choice to take the lead to act.

HONESTY

- To tell the truth, to act in such a way that you are worthy of trust, to have integrity; making sure your choices match your values.

ACCOUNTABILITY

- To be accountable for our behaviour and our actions in meeting our obligations.

RESPECT

- To treat others as you would have them treat you; to value the worth of every person, including yourself.

EXCELLENCE

- To strive for best practices.

OUR CULTURE STATEMENT

At YMCA Education Centre we believe in a culture of Compassion, Servant Leadership, Honesty, Accountability, Respect and Excellence – our shared values. We are passionate about what we do and we continually improve the way we do things to add value to our customers and stakeholders. Our success is based on our shared values and commitment of our staff who believe in developing individuals for the future; in building strong relationships with our stakeholders and in seeking excellence in everything we do. We share our expectations with each other and we strive to maintain a workplace built on our core values, trust and goodwill.

Dear Student,

Welcome to YMCA School!

Your teachers and I are delighted to be given this opportunity to journey with you in your academic and personal development. We will provide you with an all-rounded education to develop you in body, mind and spirit. The varied programme of activities will develop you to excel academically, physically and spiritually. Apart from gearing you for academic excellence, we will also equip you with life-skills of leadership, teamwork, creativity, communication and time management which will stand you in good stead for the future.

At YMCA School, there is a strong emphasis on positive character values such as compassion, servant leadership, honesty, accountability, respect and excellence. These are the core values of the school. The teaching of life-skills and core values form the basis of our character development programme. You will have opportunities for self-development and discovery. Besides the daily academic lessons, you will have opportunities to participate in the various learning journeys, Community Involvement Projects (CIP) and co-curricular activities.

Preparing to sit for your exams at the end of the year is not something to be taken lightly. We would like to encourage you to do the following:

Take personal responsibility for your own education and self-study. While your teachers will be there to help and encourage you, whether you succeed or not will depend largely on your personal effort in school attendance and diligence in daily revision of school work.

Start early with your preparations. Revise your school work on a daily basis and do not leave your exam preparations until it is too late. “Develop a passion for learning. If you do, you will never cease to grow” (Anthony J. D’Angelo).

Persevere in your studies. Do not be distracted by others; do not give up halfway. Prepare well for every test and term examination. Clarify topics / concepts with your subject teachers.

Your future is in your hands. We hope that you will study hard, do well in your studies and enjoy the time that you spend here with us. Make the best of your time in YMCA School. Your teachers and I will journey with you to provide you with an enriching and enjoyable experience.

Do study well and enjoy your stay in Singapore!

God Bless,

OUR HISTORY

Education service has always been an integral part of the YMCA movement worldwide. In each of the 1,700 YMCAs around the world, there are assorted education courses, enrichment programmes and professional workshops.

YMCA Education Centre (YEC) began in 1913 as the YMCA Technical Education unit. Courses in Building Construction, Architecture, Mathematics, Theoretical Mechanics, Surveying, Electrical Engineering, Machine Construction and Drawing were arranged to train recruits for the Government's Engineering Department and Posts and Telegraphs.

Six years later in 1919, the YMCA Commercial Education unit started with courses in Shorthand, Typewriting, Book-keeping and Accountancy. In 1931, both units were merged to form the YMCA Classes. Standard V to School Leaving Certificate classes and London Chamber of Commerce Examinations preparatory courses were also introduced as part of new education initiatives. By the time war broke out in 1941, YMCA Classes enrolment was well over 800.

With the end of the war, demand for office administration skills rose and pushed annual

intake to 1500 Students in 1950. With technical classes no longer organised, the school was renamed as the YMCA Commercial Classes. Throughout the 1960s and 1970s, the school was at the forefront of education innovation. It expanded its education offerings with professional and management seminars and talks, foreign language courses, and self-improvement courses, such as Starting a Business, Public Speaking, and Import and Export Procedures.

In 1985, YMCA Commercial Classes changed its name to Education Centre and was officially registered with the Ministry of Education of Singapore. An IT education unit, Computer Training Centre, was added to the school in 1988 to provide Singaporeans a good foundation programme for IT learning. The school started the Singapore-Cambridge General Certificate of Education (GCE) 'A' Level classes with an enrolment of 155 Students in 1989, followed by GCE 'O' Level classes in 1990, and GCE 'N' Level classes in 1993. A Master of Arts in International Relations Degree programme was introduced in 2000.

A year later, Early Childhood Care and Education Certificate and Diploma programmes jointly accredited by the Ministry of Education and the Ministry of Community Development, Youth and Sports commenced. Student enrolment in GCE courses exceeded 495 in 2002.

YMCA worked out plans in late 2003 to integrate the student care services and child development services with the Education Centre. At the end of 2004, the Education Centre, Student Care Centres and Child Development Centres amalgamated under the umbrella of YMCA Education, which aims to offer every child that passes through programmes and activities at YMCA a holistic education experience from early-years to post-graduation. With a view to further expansion, the Education Centre changed its name to YMCA School in 2005. At the same time, YMCA School was also in-principle approved to conduct Edexcel (London) GCE courses and International Baccalaureate (IB) Middle Year Programme (IBMYP) and Diploma Programme (IBDP) (on trial implementation basis).

In 2010, YMCA School changed its name to YMCA Education Centre (YEC) to encompass the Higher Education Arm. It is a not-for-profit education service of the Young Men's Christian Association (YMCA) of Singapore. YMCA School comes under the umbrella of the YEC.

The YMCA Student body is broadly diverse in nationality and economic

background. It caters to Singaporeans and foreigners who desire to learn good values, to acquire skills and to develop their fullest academic potential so as to succeed in life and to contribute to society in the future.

*Cast all your anxiety on Him because He cares for you.

EduTrust-certified PEIs are required to adopt the FPS to provide full protection to all fees paid by their students. All fees refer to all monies paid by students to be enrolled in a PEI, excluding the course application fee, agent commission fee (if applicable), miscellaneous fees (non-compulsory and non-standard fee paid only when necessary or

where applicable, for example, re-exam fee or charges for credit card payment etc) and GST.
